PERSONAL ADDRESS INFORMATION

The university's Student Information System can maintain several address listings for students, for a variety of purposes. It is important to keep these up to date for official communications from the university:

Local address – The local address is the primary address to which university correspondence is directed while classes are in session. You can update address information on SalukiNet or at the Registrar's Office.

Permanent address – The permanent address is used primarily during university breaks in the months of May, August and December. It is also used by the university to direct correspondence if the local address is missing.

SIU email address – SIU requires students to have an siu.edu email address. It is the official means of communication. Notices such as course cancellations, scholarship notifications and account balances will be sent to your SIU email. Please check your email daily for communications and announcements. You may set up the email account to be forwarded to another account, such as Gmail.
