SCHOLARSHIPS

A variety of scholarship awards are available through the college and its individual departments. In addition, the SIU Foundation presents scholarships specifically designated for business majors from individual donors and on behalf of the university. Applications can be found on the Undergraduate Scholarships website at scholarships.siu.edu and must be submitted online. The application period is typically Oct. 1 through Dec. 1. However, this date is subject to change.

Generally, awards made in the spring semester will begin in the following fall semester. Applications must be made annually. Students who receive scholarships must participate in the scholarship reception and ceremony during the semester in which they receive the funding. The list of scholarships is available at business.siu.edu/services/scholarships.html.

STUDY ABROAD

Just as business people need to know how to read a spreadsheet, communicate effectively and work with others, they are increasingly called upon to be able to work with other cultures. More than ever, the market is global — and individuals need to be able to work effectively in a number of societies. There are many ways to achieve this ability, but perhaps the most effective is by studying abroad.

SIU offers business students a variety of opportunities to study abroad, including individual exchange programs and faculty-led experiences. These include direct exchanges and opportunities available through the Center for International Education. Please visit cie.siu.edu for further information on study abroad opportunities offered through SIU.

The College of Business and Analytics offers a faculty-led study abroad program. This one-month summer experience allows students to travel to Grenoble, France, to study at the world-renowned Grenoble Ecole de Management. Students may take courses in the areas of international strategy/international marketing, entrepreneurship, innovation and/or design. Visit business.siu.edu/services/study-abroad.html for more information.
