

ACCOUNTING

ONLINE BACHELOR OF SCIENCE, MINOR, CERTIFICATE

ACCOUNTANTS AND AUDITORS help businesses and organizations maintain accurate financial records that are in compliance with laws and regulations, including tax laws. They may also identify areas where businesses are losing money and suggest ways to improve profits. The SIU degree completion program in accounting includes sections on business ethics, data security, inventory models, fraud detection and tax laws.

PROGRAM HIGHLIGHTS:

- Easy-to-transfer from many community colleges – ask about The Capstone option, and Saluki Step Ahead Scholarship Program
- Dedicated academic advisement, faculty and staff
- Career-relatable coursework
- Scholarship opportunities and financial aid accepted
- Mentorship and internship opportunities available in your area.

YOU AREN'T ALONE WHEN YOU EARN YOUR DEGREE ON CAMPUS, OFF-CAMPUS OR ONLINE WITH SIU. You'll have regular contact with faculty and staff along with resources like Morris Library, the Writing Center, one-on-one tutoring, student organizations, the Office of Diversity and Inclusion, and other student services available to you.
